#### Class schedules:

Our classes are currently running Monday-Friday 4-6 and Saturday 9-11. Lessons are all 30 minutes in length and we have no more than 4 children per class for the first 4 levels of learn to swim (Tadpole, Frog, Goldfish, Clownfish). The Parent/Child classes we allow up to 8 and the last level of learn to swim (Marlins) will have up to 6. We offer private/semi-private lessons scheduled by appointment.

**Missed Classes:**

If you miss a class it's not a problem! As long as we receive notification of cancellation prior to the scheduled class we will offer you a make-up class. If we do not receive notice, no make-up classes will be offered. If our program must cancel for any reason a mass email will go out to all registered families as well as a mass text message to all families on the schedule for that day.

***\*\*Classes will be cancelled for inclement weather and holidays.***

**Time off from lessons:**

If you would like to take time off for any reason please provide us with a two week notice of your intention to stop classes. If not received, you will be liable for those classes until we have two week notice.
